La Call for a Circular describing al Symptoms.

SYMPTOMS:

The symptoms of Catarrh as they generally appear are at first very slight. Persons find they have a cold, that they have frequent attacks, and are more sensitive to the changes of temperature. In this condition, the nose All who have GROCERIES to purchase should be sure to call and examine the Stock of eff heavy, and are hawked or coughed off. The secretions are offensive, causing a bad breath; the voice is thick and nasal; the eyes are weak; the sense of the smell is lessened destroyed; denfness frequently takes place. Another common and important symptom of Catarrh is, that the person is obliged to clear his throat in the morning of a thick or slimy mucus, which has fallen down from the head furing the night. When this takes place the person may be sure that his disease is on its ray to the lungs, and should lose no time in

The above are but few of the many Ca tarrh Symptoms.

A single Bottle will last a month-to be used three times a day.

TESTIMONIAL

From Hon. Thos. J. Turner, Ex-Mem ber of Congress from Illinois, late Speaker of Illinois House of Repre sentatives, and Grand Master of A., F and A. M., of the State of Illinois. FREEPORT, Oct. 21, 1863.

DRAR SIR:—In reply to your notice of the 18th inst., I would say that I was severely afflicted with Catarrh for years, when I be-come acquainted with you and bought two bottles of your Liquid Catarrh Remedy. Before I had used one bottle I was rensibly im-proved, and before the second bottle was fin-ished, was completely cured. I can recom-mend the medicine to all afflicted with Catarrh.
